

RFP - String Bridge Improvements

The Town of Exeter is requesting engineering services for the investigation and cost effective design for the upgrade of both sections the String Bridge over the Exeter River (Bridge #102/074 and #103/074).

The consultant will need to provide timely services to design this project and to supply appropriate guidance for the capital improvements program for construction of the String Bridge in NHDOT FY2016. The bridge is currently scheduled to be funded by the NH DOT

Municipally-Managed State Bridge Aid Program in NHDOT FY2015; however, funding year will likely be adjusted to accommodate design and other construction projects in the area.

GENERAL REQUIREMENTS

Invited consulting firms making proposals must respond in writing to all requirements of this Request for Proposals (RFP). Responses should reflect detailed considerations of the issues and opportunities presented by this specific project. Any additional information or tasks that are felt to be relevant by the responding firm should be included together with the submittal requirements.

Sealed proposals, plainly marked "RFP No. DPW 2014-03 - Proposal for String Street Bridge Improvement - Engineering Services" on the outside of the mailing envelope, addressed to:

Town of Exeter
Public Works Department
Public Works Director
13 Newfields Rd
Exeter, NH 03833

will be accepted **until 2:00 p.m. on Thursday, July 10, 2014 at the Public Works office**. Five (5) copies of the proposal shall be submitted. No cost proposal is required at this time.
